

## THE POWER OF GIVING: THE KADENS FAMILY HEALTH & WELLNESS CAMPAIGN

The health and wellness of all students – at every age – is important in Ottawa Hills.

Ottawa Hills Local Schools and the Ottawa Hills Schools Foundation are excited to undertake their first-ever capital campaign. Our goal is to serve students districtwide through a new fitness center and renovations to the multipurpose room and men’s and women’s locker rooms.

Together as parents, community members, and alumni, we can make a difference and create spaces for all students to engage in healthy living.

Please join Pete and Amy Kadens in **THE POWER OF GIVING CAMPAIGN** to raise funds to renovate the multipurpose room and locker rooms, and build a fitness center that will include:

- Cardio equipment
- Weight training area
- Athletic training room
- Open areas for floor exercises
- Yoga space
- Fitness office

The fitness center will support health and physical education curricula throughout the school day and be monitored by trained wellness personnel beyond the school day and throughout the summer.

*“We are incredibly indebted to the teachers, coaches and community members in Ottawa Hills for helping us become who we are today. We are making this gift to show our gratitude for their support and to continue the Ottawa Hills tradition of developing the whole student – mind, body, and spirit.”*

—Pete ('96) and Amy (Robbins '99) Kadens
